

## **Rose Ceremony**

There are two ways to add the **Rose Ceremony** into your wedding ceremony.

### **The first version is for the bride and groom.**

The Rose Ceremony is something that will last forever in your hearts and minds. This ceremony can be added to your wedding ceremony right after you exchange your rings. It's actually the first gift that you give to each other as husband and wife.

### **The Second is for the Mothers of the Bride and Groom**

The Mothers' Rose Ceremony, which is also known as "The Rose Presentation", also occurs after the ring exchange, and is especially sweet and touching when it's a surprise for the Moms! The couple present a rose(s) with a ribbon tied around them to each of the moms. You can use any flower, however the Rose is a universal symbol of love and can be pressed really easily in a book for a keepsake. It is something special that would stand out in the hearts and minds of your moms for years to come!
